Words of JOY & GRATITUDE of BIM's successful DT candidates

KABILAN. P

Rank 3

It all began in 2022. I first joined BIM my journey began there. My inspirations were Mr Nedoundjeiane sir, Sridharan sir, Ms. Abi and Siva sir they made me so interested in competitive exams and under their guidance I became LDC and now I got selected as DT along with my friend Ishwar it's all thanks to my mentors and friends

NATARAJAN. C

Rank 7

BIM as an institute stands out as it prioritises the needs of the student first and makes their job easier. I ll be forever grateful to them for promptly helping me with my preparation and reach here.. at the same time, my heart goes out to all those who are continuously persevering to reach a better place in life.. I wish them all good luck!

SINDUJA. S

Rank 12

Thank u for being my support system. Your test series helped me to analyse my position and gave confidence. Now, Bim is part of my DT success journey. Once again thank you BIM.

ISWAR KUMAR. D

OBC Rank 2

I deserve it with BIM on my side. Your support in strengthening my base was imperative in my preparation. I should always be thankful for BIM, its Directors and staffs. Like always said, BIM was certainly a placid oasis for me in the middle of nowhere where I found the key to the enigma of a good placement!

NIVEDHA. P

OBC Rank 3

It all started from zero to LDC to UDC to DT is what you made from your teaching, positivity and Love. The motivation u gave on my failures as a teacher, care you gave me as a sister and there for me in my difficulties everything has built me to reach here
